

MAXCCO

CAPABILITY STATEMENT

COMPANY OVERVIEW

Maxcco is a procurement and service contractor serving the public sector. We specialize in waste equipment supply, logistics, facilities management, vehicle upfitting, and vertical construction projects. Our strength lies in combining government contract readiness with rapid deployment capabilities through our integrated sourcing and strategic partnerships—including Lift Max Pros for truck retrofitting.

CORE COMPETENCIES

- **Waste Equipment Supply:** Roll-off containers, hook lift systems, flatbeds, and custom-fabricated units
- **Logistics & Procurement:** Full-spectrum sourcing, delivery, and coordination of critical infrastructure and support
- **Facilities & Janitorial Services:** Routine and specialized cleaning services, operations support, and staffing
- **Truck Upfitting Services:** Through Lift Max Pros, we retrofit commercial trucks with industry-grade hook lift systems
- **Construction Services:** Ground-up and vertical construction projects including civil, industrial, and institutional scopes

DIFFERENTIATORS

- **Government-Ready:** Compliant with federal procurement standards, registered on SAM.gov
- **Full-Service Approach:** Bundled offerings for sourcing, facility operations, and infrastructure delivery
- **Integrated Equipment Solutions:** Exclusive access to container manufacturing and truck upfitting
- **Strategic Growth Model:** Positioning to scale with subcontracting and prime contracts in construction and logistics

PAST PERFORMANCE

Maxcco is a newly formed, capability-aligned contractor focused on supporting local, state, and federal infrastructure needs. We bring together experienced industry partners, proven sourcing systems, and project readiness for public-sector impact.
